PRAJESH DAGADE

COMPOSITER & VIDEO EDITOR

Experienced Compositing Artist with a strong track record in the animation industry. Proficient in **Adobe Photoshop, Premiere Pro, After Effects, Fusion, Silhouette**, and **The Foundry Nuke**. A collaborative team player with a solid foundation in **VFX, Animation**, and **Special Effects** from **MAAC Animation**. Committed to advancing visual storytelling and driving business success through creative solutions.

EXPERIENCE

Columbus Studio

2020-2021

Compositor and Roto Artist

- Developed and executed complex compositing and rotoscoping tasks for high-profile projects, ensuring seamless integration of live-action footage with CGI.
- Collaborated closely with the VFX team to deliver precise and high-quality visual effects, consistently meeting tight deadlines and exceeding client expectations.

Arena Animation

2021-2022

VFX Faculty

- Delivered comprehensive VFX training to students, covering key aspects of compositing, rotoscoping, and digital effects.
- Designed and implemented engaging lesson plans, fostering a deep understanding of industry-standard software and techniques, while mentoring students to develop their creative and technical skills.

MAAC Animation

2022-Now

VFX Faculty

- Currently teaching and mentoring students in advanced VFX techniques, including compositing, rotoscoping, and digital effects.
- Develop and deliver curriculum that aligns with industry standards, while fostering creativity and technical proficiency in students, preparing them for successful careers in the animation and visual effects industry.
